| 6 | S6 |

PROJECT TYPE : **RESIDENCE**

**PROJECT NAME : KUMARA KRUPA
RESIDENCE**

LOCATION : LUZ AVENUE

The residence spans over an area of 5000 square feet, with the design completed for both the ground and second floors.

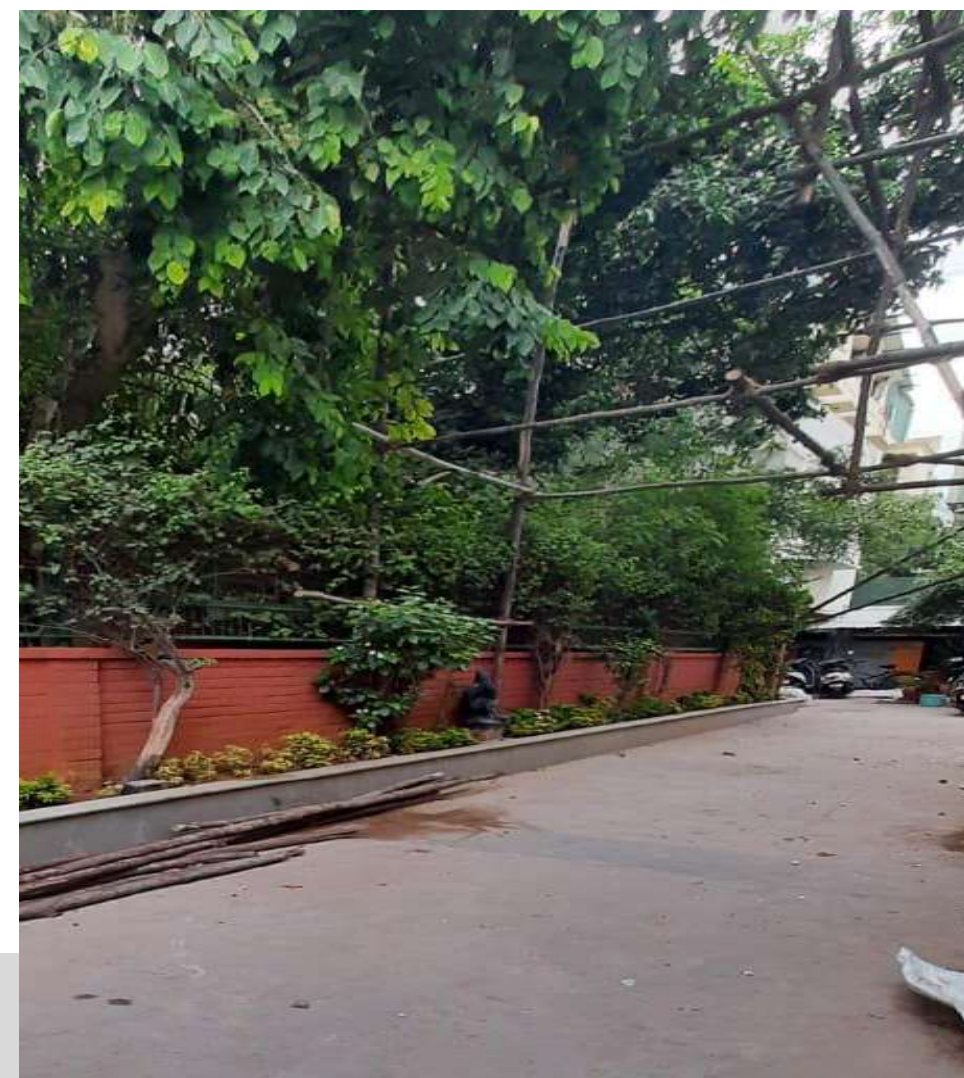

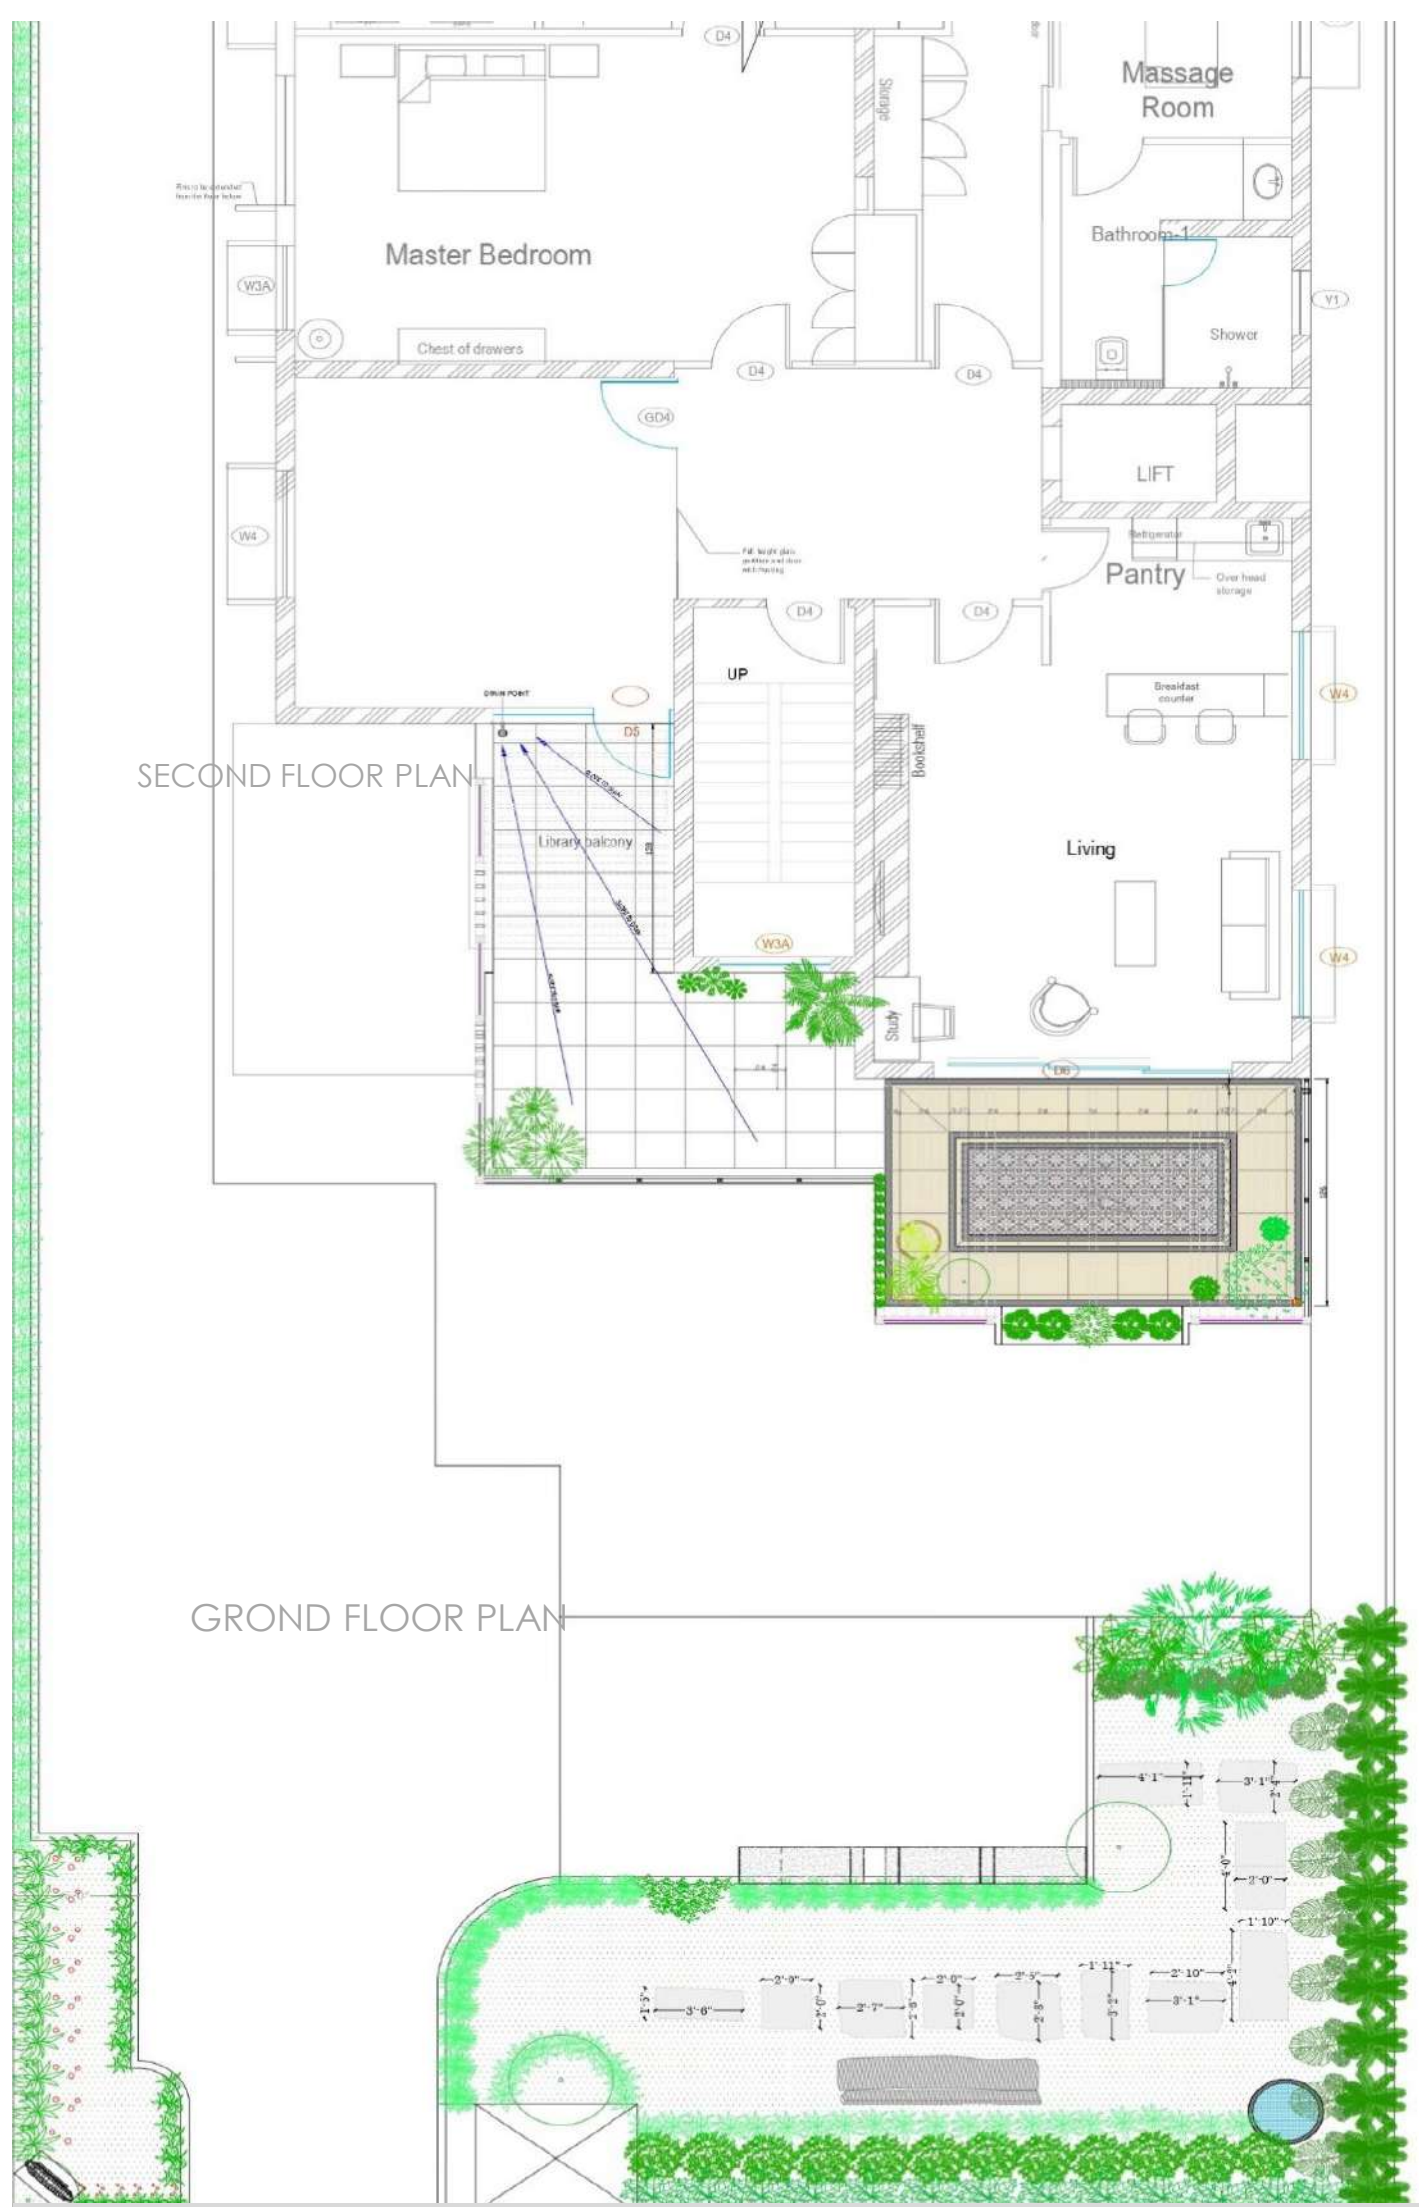

The second floor was added as an extension to the existing building, and the design was created while considering the pre-existing limitations

**CLIENT : Mr. & Mrs. SATHANA
KRISHNAN**

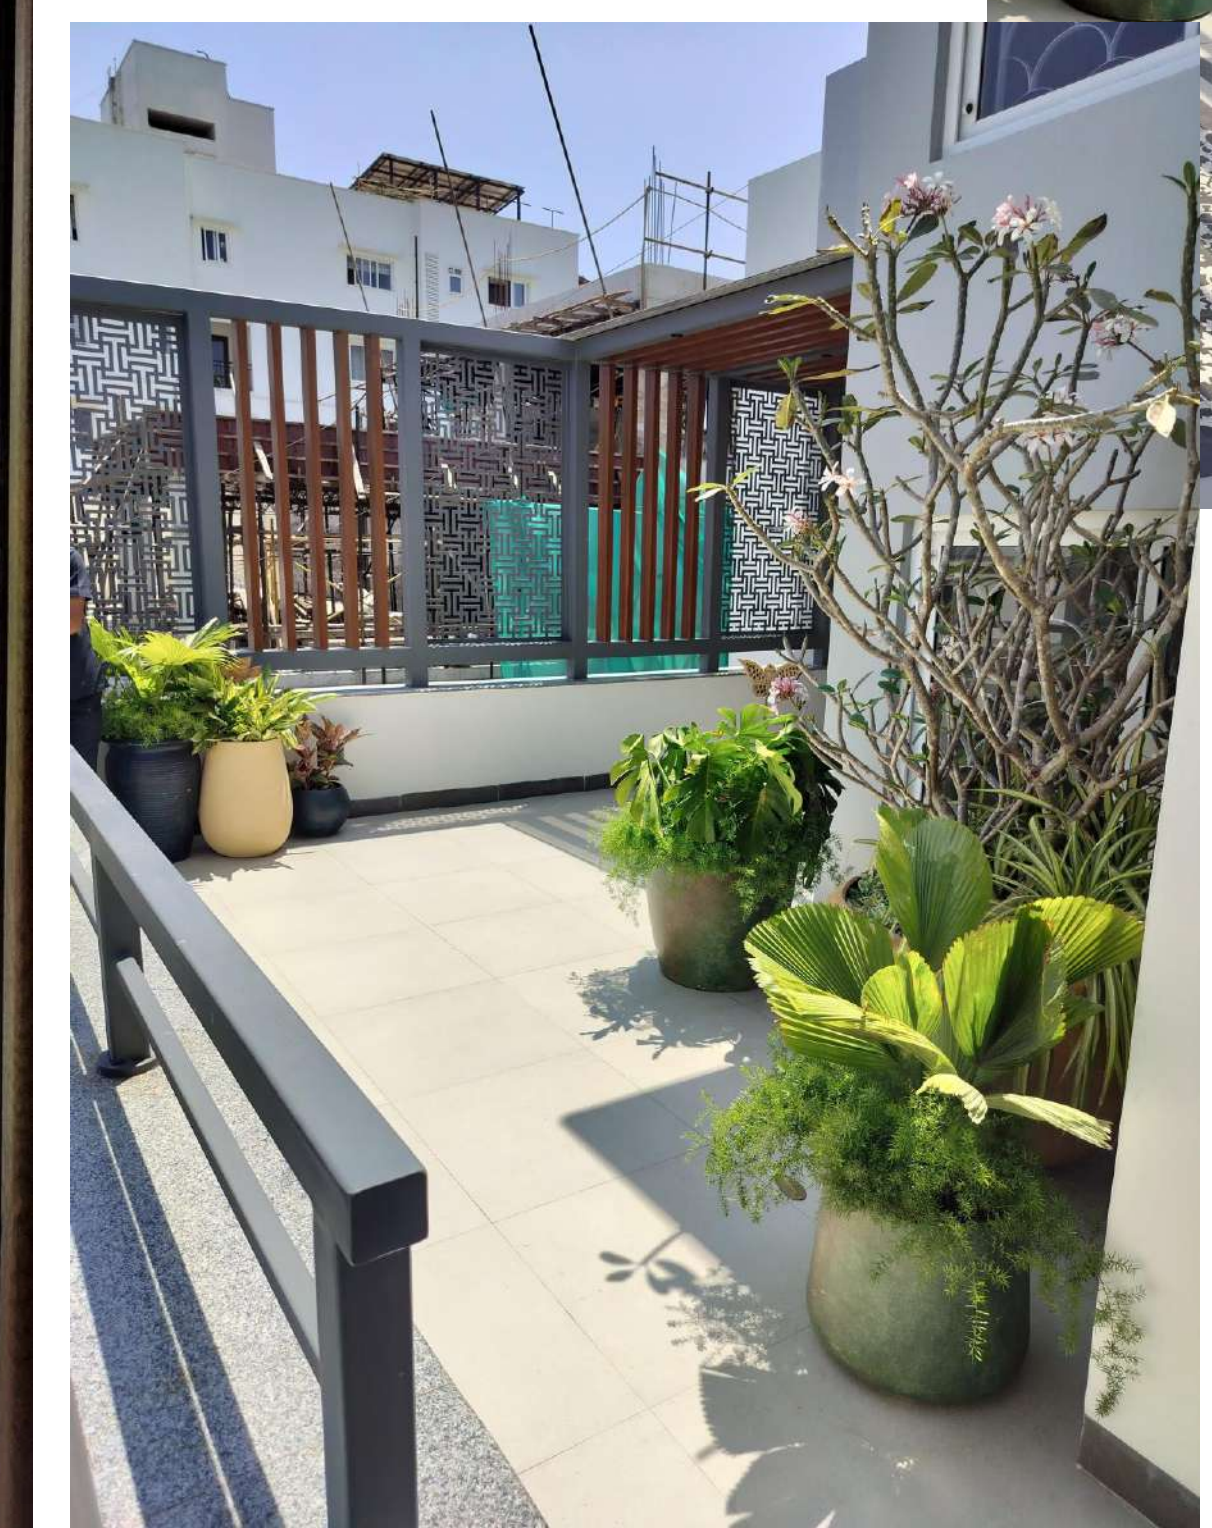

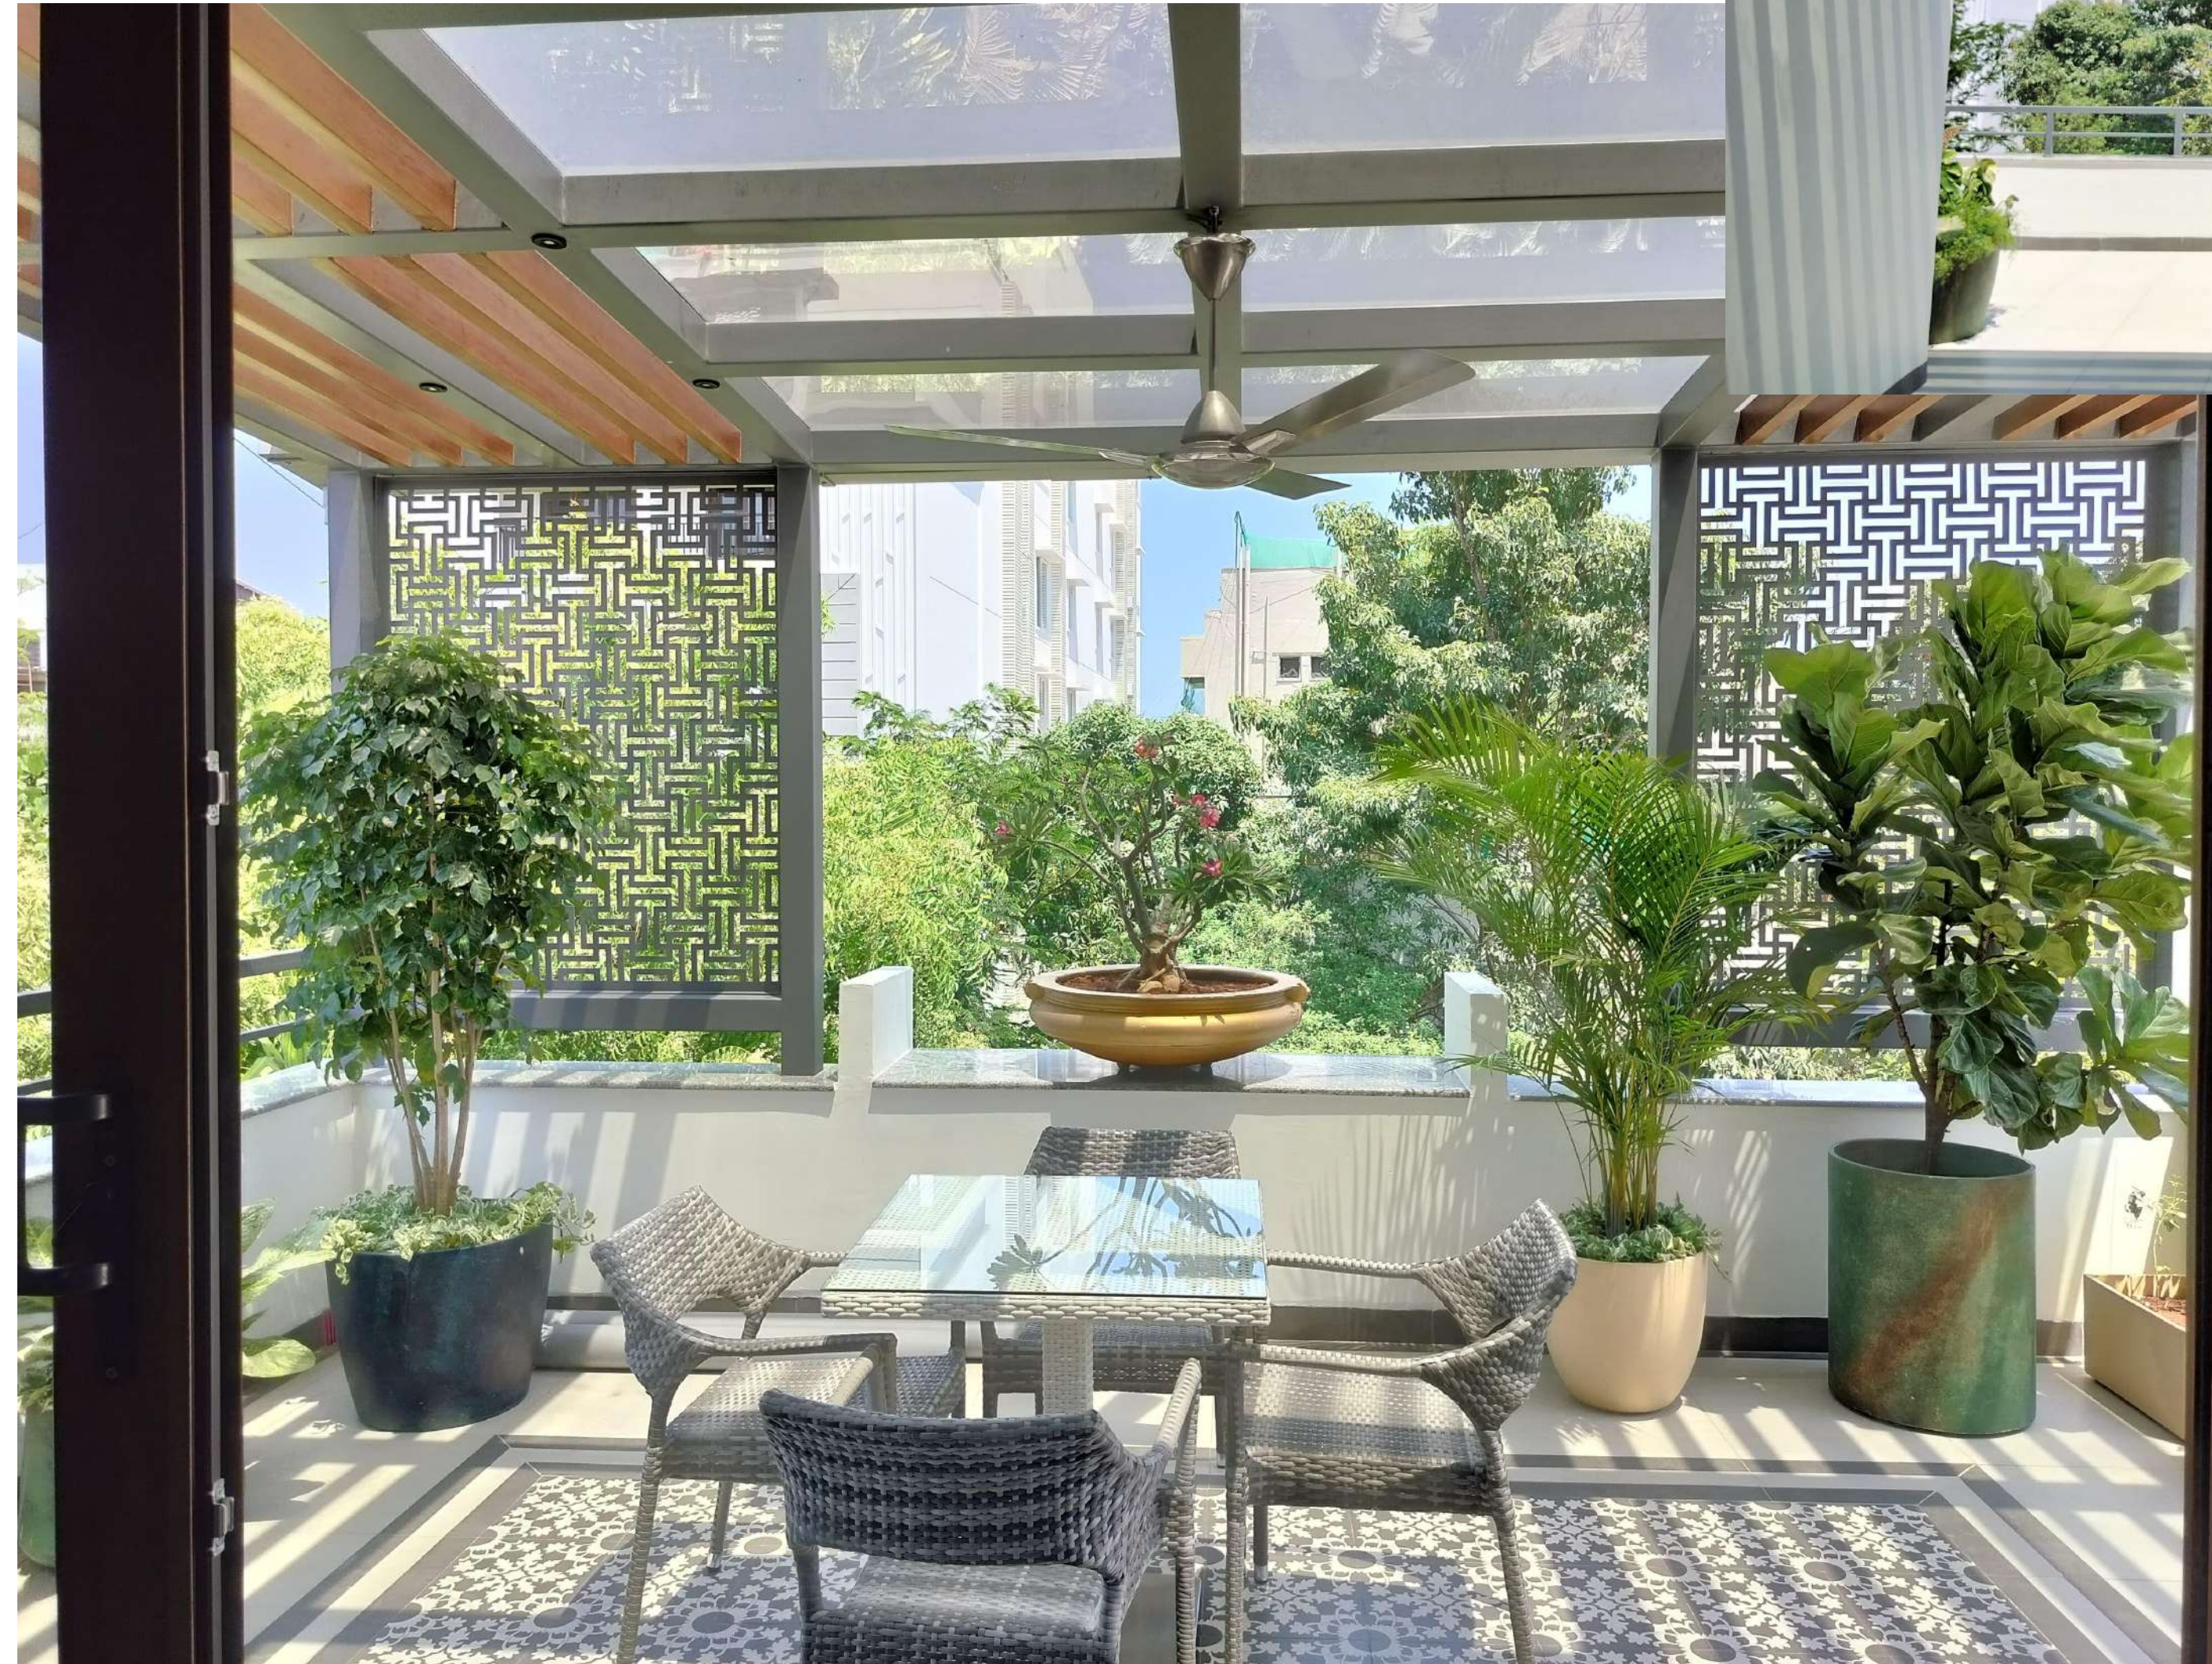

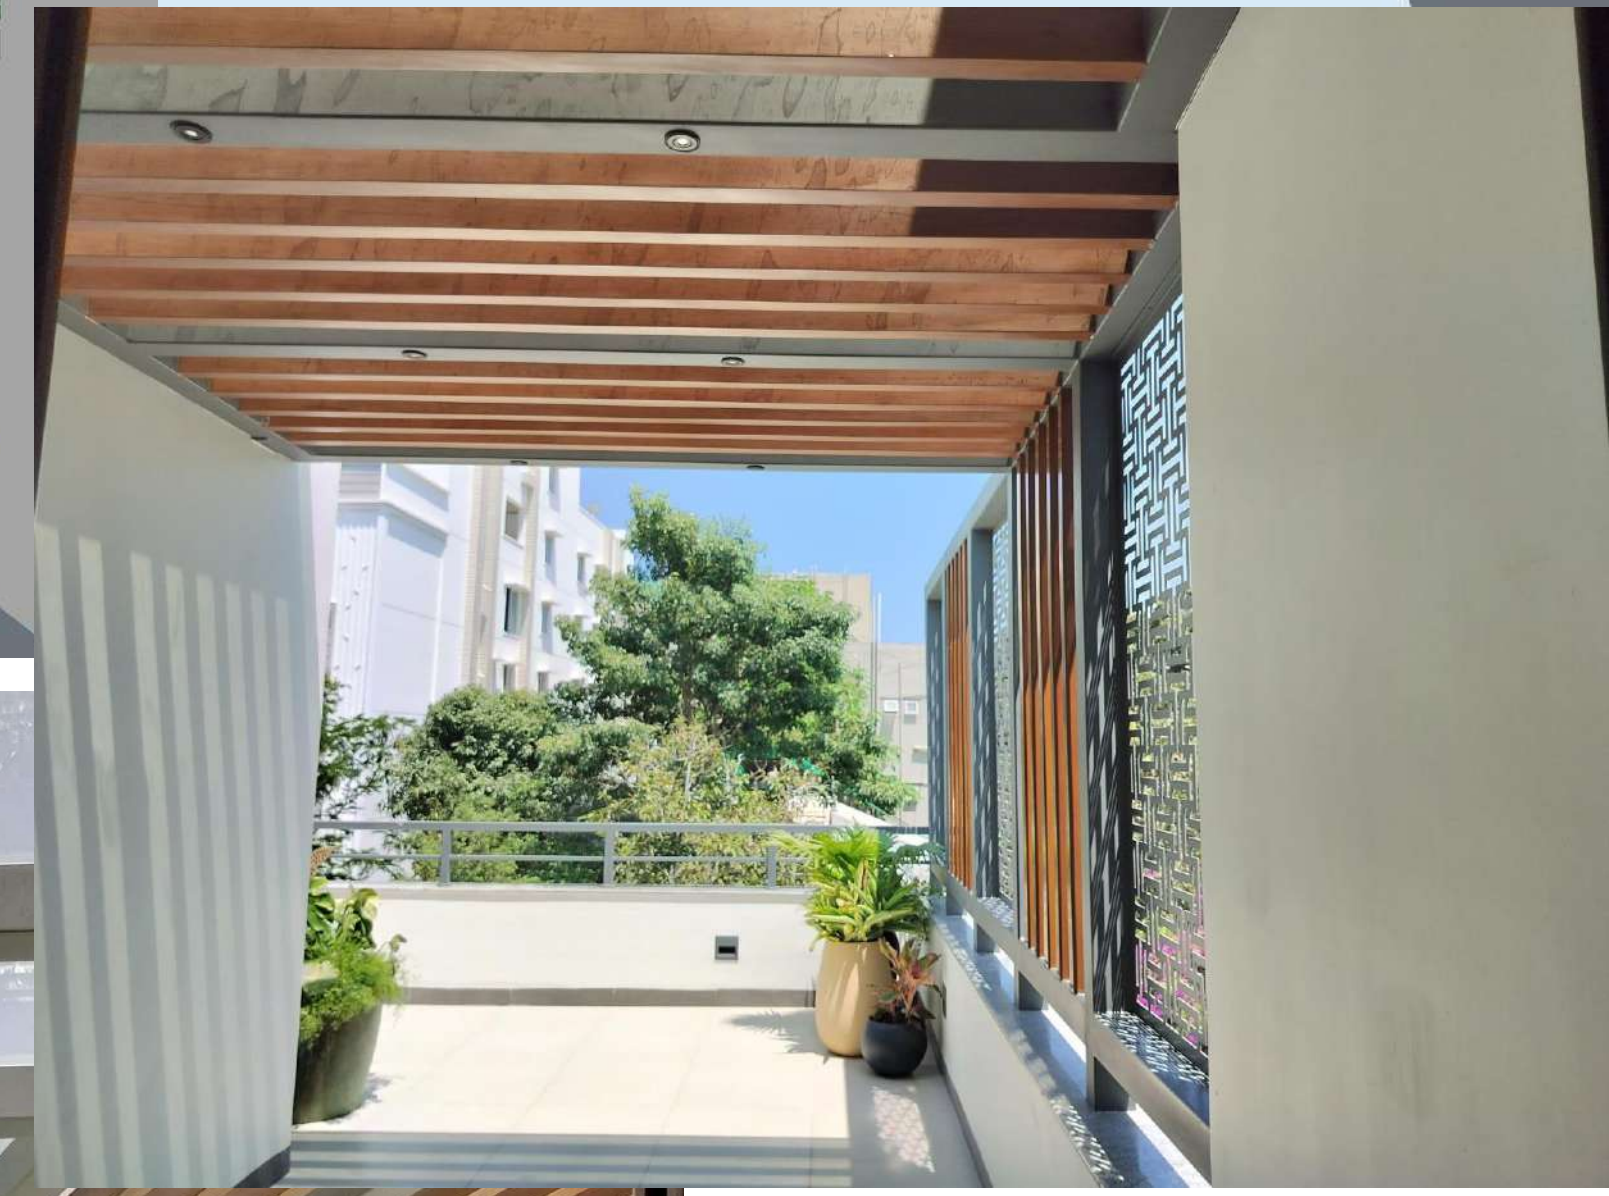

The client was highly accommodating and possessed a keen sense of taste and design, making it effortless for us to bring our envisioned ideas to fruition.

GROUND FLOOR

SECOND FLOOR

PROJECT TYPE : **RESIDENCE**

**PROJECT NAME : Mr. PANDIAN'S
RESIDENCE**

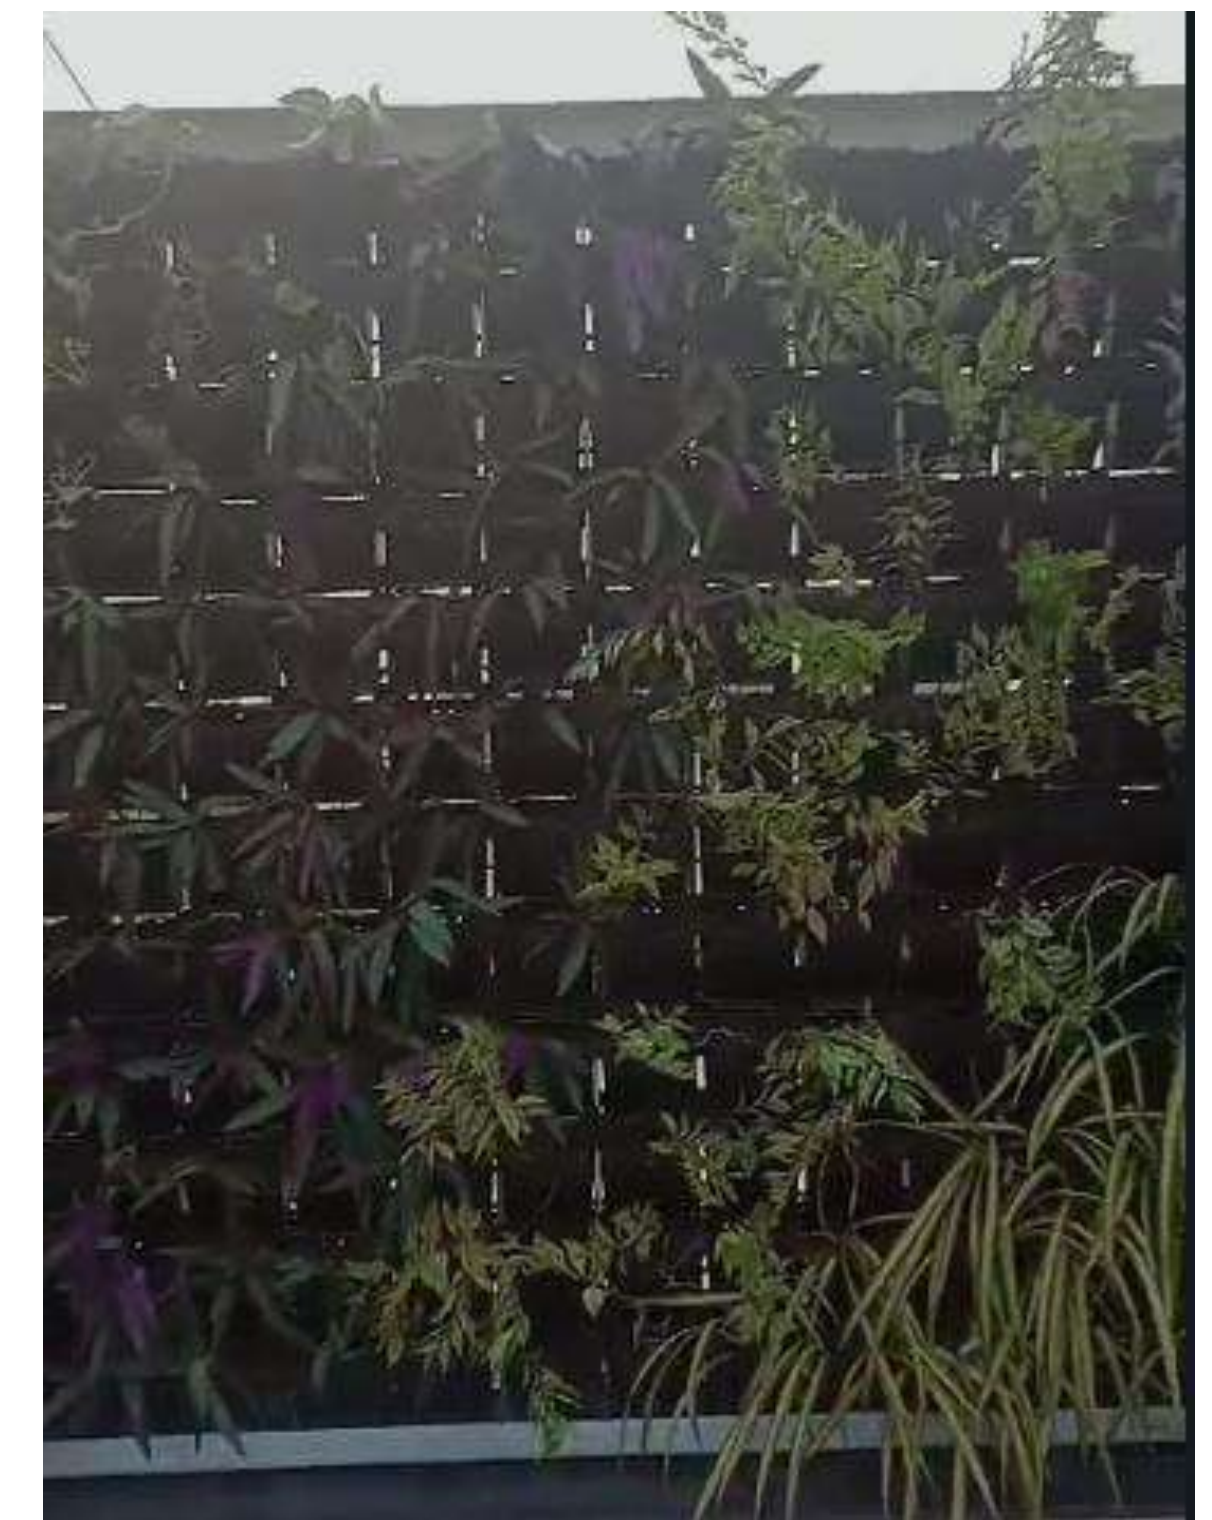

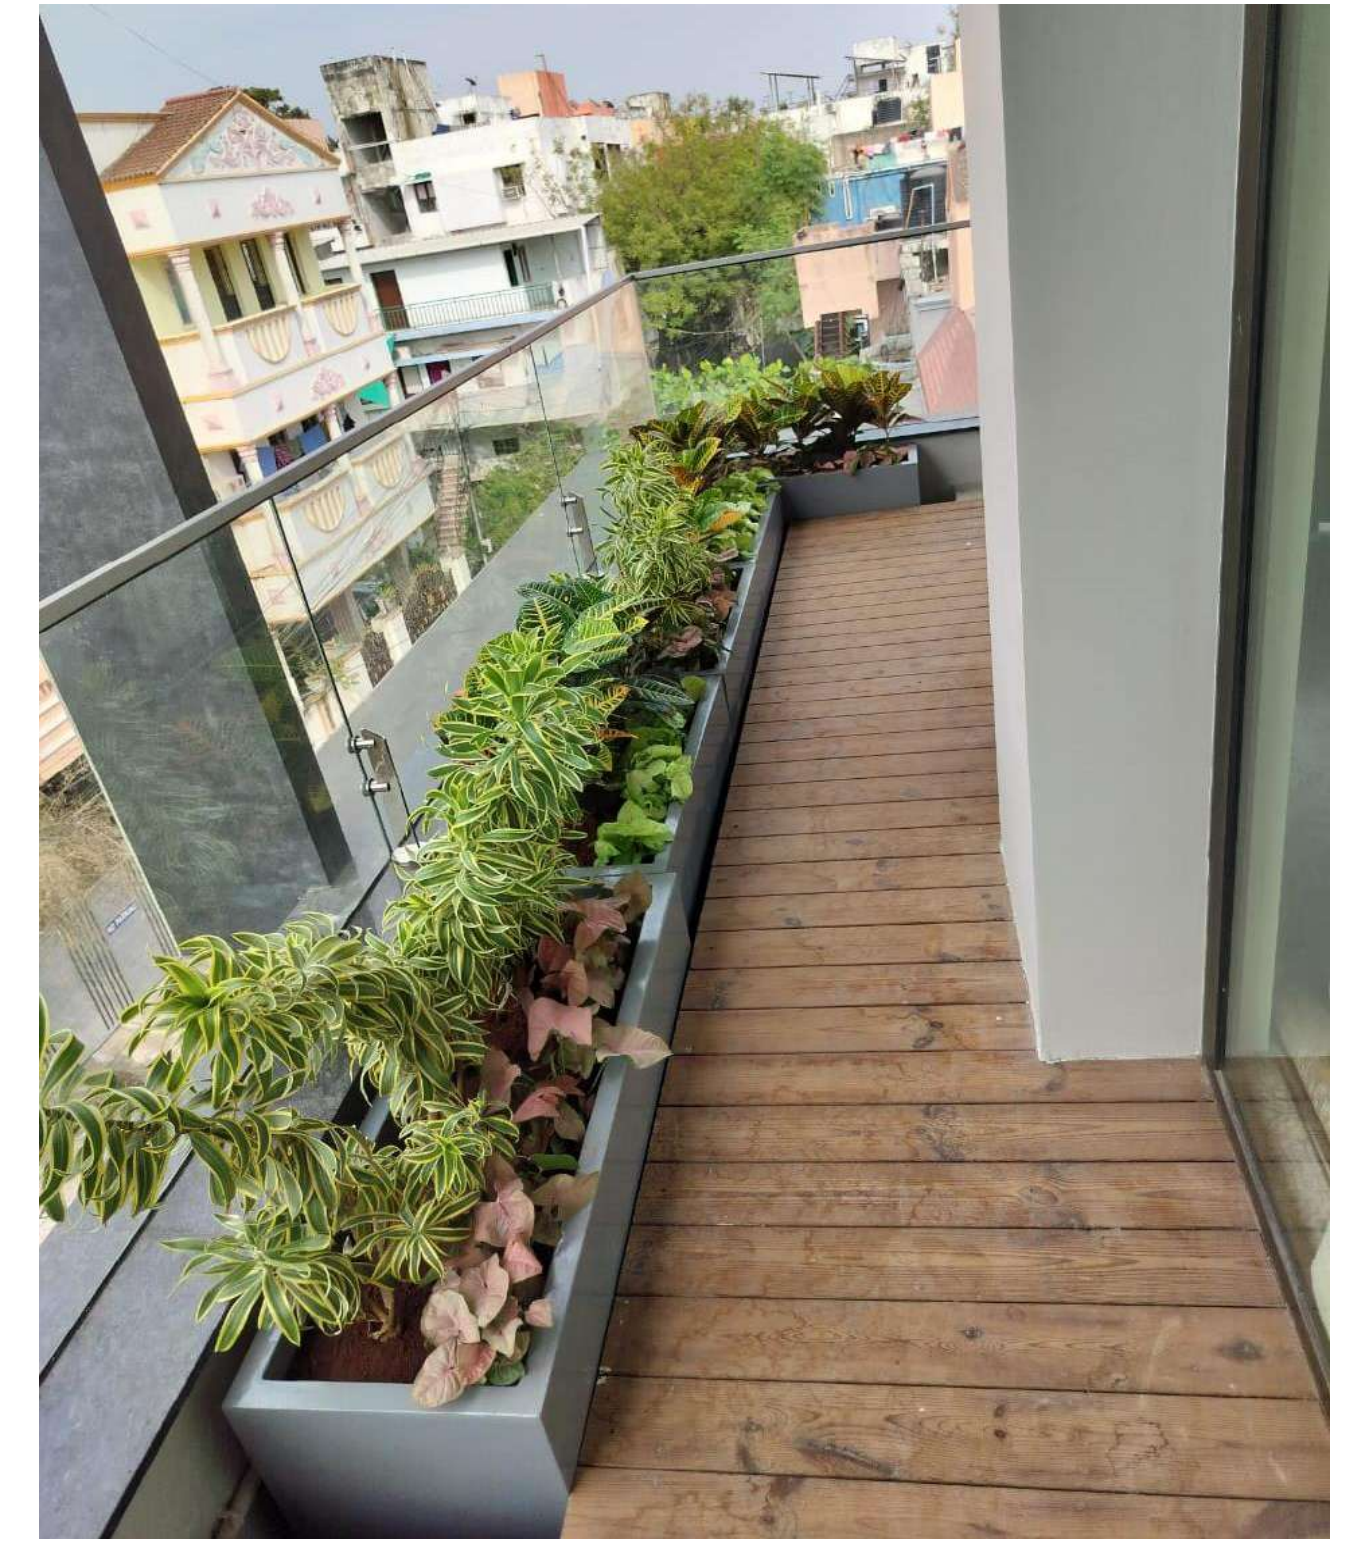

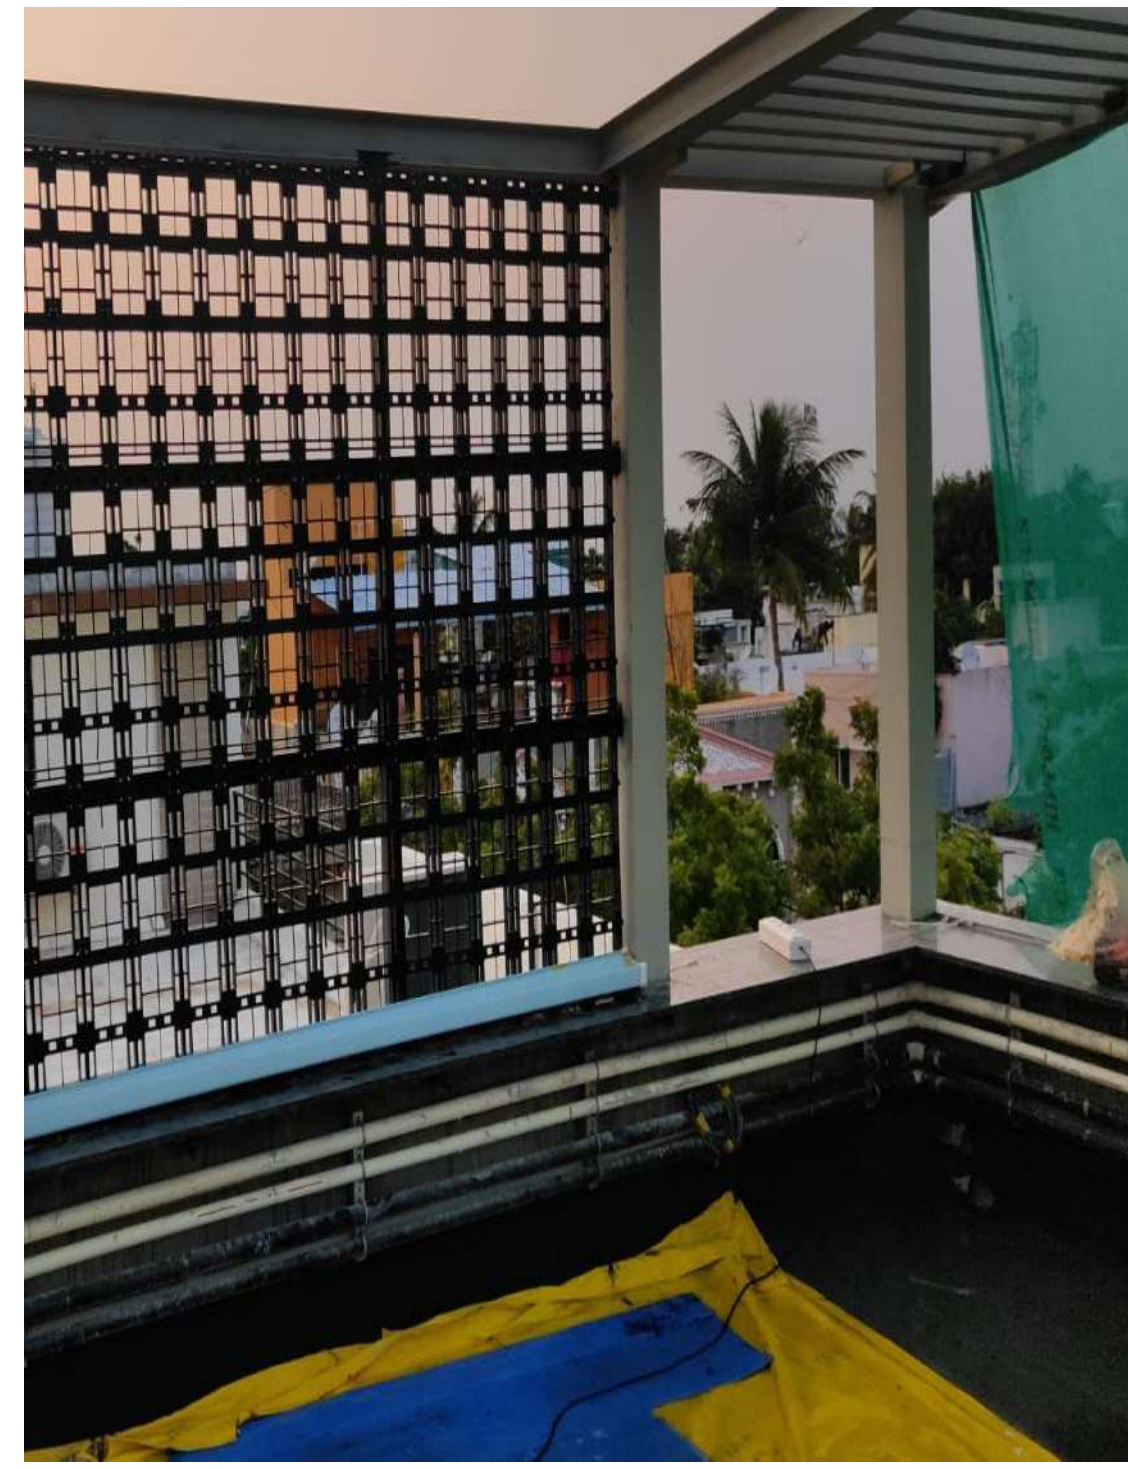

LOCATION : SAALIGHRAMAM

The project held great significance for both the client and our team, as it fulfilled the client's long-cherished dream of owning such a house.

CLIENT : Mr. PANDIAN

Due to the client's background in the interior industry, they were specific about their requirements, which facilitated our delivery of the appropriate design.
